

Experience Cloud App

1. Home Page

The screenshot shows the homepage of the TruckEase Logistics application. At the top, there is a navigation bar with links for Home, Trucks, Truck Bookings, Truck Load, and Payments. A search bar and a user profile icon are also present. The main content area features a welcome message "Welcome, Andy" and a tagline "Manage bookings, track loads, and monitor payments - all in one place." Below this, there is a section titled "TruckEase Logistics" with a sub-section "Reliable - Fast - Hassle-free Truck Booking Platform". It includes a detailed description of the platform's features and benefits. To the right of the text is a large image of a yellow Eicher truck with a red trailer. Below the image, there is a call-to-action button "Book a Truck" and a link "My Orders". At the bottom of the main content area, there is a navigation bar with icons for Dashboard, Truck Booking Analytics, and a refresh button.

2. Upon clicking BOOK A TRUCK

The screenshot shows the "Book a Truck" page. The top navigation bar remains the same. The main content area is titled "Brands Available" and lists four truck manufacturers: Mahindra, Tata Motors, Ashok Leyland, and Eicher. Each manufacturer has a small image of a truck and a link to view more details. At the bottom right of the content area, there is a "Previous" button.

3. Upon clicking on a Brand

The screenshot shows the 'Tata Motors Trucks' section of the application. It displays two truck models with their details and booking buttons:

- Truck Name:** TitanX
Cost of Booking: 30000
Maximum Load: 300
- Truck Name:** Express Titan
Cost of Booking: 40000
Maximum Load: 350

Each truck entry includes a small image and a red 'Book' button at the bottom right.

At the bottom of the screen, the navigation bar shows 'Dashboard' and 'Truck Booking Analytics' along with standard browser controls like Refresh, Back, and Forward.

4. Upon clicking on Book

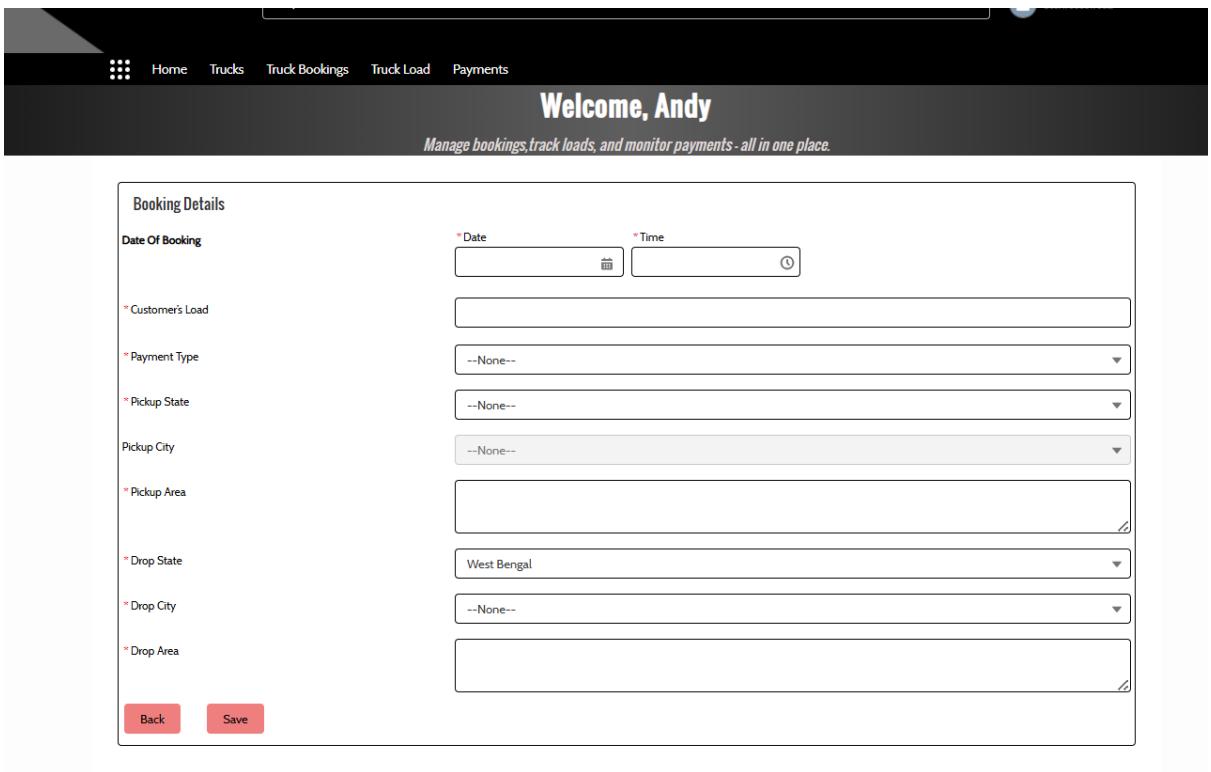

The screenshot shows the 'My Details' step of a booking process. The user has entered the following information:

Field	Value
First Name	Vishal
Last Name	Agarwal
Email	devilwhite1718@gmail.com
Phone	8972534666

Below the form are 'Back' and 'Next' buttons.

At the bottom of the screen, the navigation bar shows 'Dashboard' and 'Truck Booking Analytics' along with standard browser controls like Refresh, Back, and Forward. A note at the bottom indicates the data is as of 09-Nov-2025, 3:27 pm, and is being viewed by Aninda Banerjee.

5. NEXT

The screenshot shows a 'Booking Details' form on a web page. The form includes fields for Date Of Booking, Customer's Load, Payment Type, Pickup State, Pickup City, Pickup Area, Drop State, Drop City, and Drop Area. At the bottom are 'Back' and 'Save' buttons.

Booking Details

6. SAVE

The screenshot shows a success message 'Truck Booked Successfully' in a green bar. Below it, a confirmation message states 'Your booking is confirmed! We've successfully processed your order, and you can now view it on your 'My Orders' page. Thank you for choosing us - we're thrilled to serve you!' with an illustration of a truck. A 'My Orders' button is also visible.
